TINY TIM

Meet Tiny Tim – The sweetest hearts often take a little time to shine. ❤️

Tim is one of the newest members of our herd, and he's already quietly stealing hearts. Gentle, kind and incredibly sweet, he's taking life at his own pace as he settles into his new home and learns to trust the people around him. Although Tim can be a little shy, his confidence is growing every day. He loves being groomed, basking in the sunshine and, of course, a good muddy roll whenever he gets the chance! With patience, reassurance and lots of love, he's beginning to show us the wonderful pony we know he can be.
